

... get to know all of you!

Gift Guide

Essential oils are miraculous gifts from nature's healing hands; they unite material substances and subtle responses, restoring balance to all levels of the human system. Discover essential oils to benefit your body, mind, emotions and for your home.

Predominantly grown in the wild, true to their species, delicate extraction methods are used to protect the plants delicate signatures.

Our essential oils are certified as true botanical, pure and natural and sourced from the finest harvests in Australia and Internationally. We manufacture small batches to preserve their quality and freshness.

*Choose from the products below
or reach out by email or phone
for a bespoke product,
personalised for the one you love.*

All Essential Oils use Five Key Words to guide you to quickly find the property the oil fosters:
STILLNESS, ENERGISE, PURIFY, BALANCE, REJUVENATE.

The **COLOURS**, which reflect the light energy of the plant, match the energetic frequency of your body, and affect health and wellbeing by providing healing on all levels.

IMPORTANT: Keep away from heat, light, magnets, and all electrical devices. Administer oils as directed by your practitioner.

*We can help you choose a gift
for that special person

Growing Methods:

Select – a premium selected authentic essential oil, derived from conventional agriculture, and suitable for therapeutic use.

Wild – derived from plants that have been sustainably wild harvested and represent the highest quality of essential oils and excellent value, if compared to certified organic and plantation grown, where the cost is higher.

Organic – derived from sustainably wild harvested plants, that are certified organic

Essential Oil Blend

The most concentrated part of the plant in a liquid form, with potent aromatic benefits. Dab a few drops onto your pulse points or lava stone bracelet. Use in a diffuser, shower, bath, cream, or smell directly from the bottle.

Aura Mist

An instant aromatherapy remedy, to transform your mood and energy. Pure essential oils are suspended in distilled water. Shake the bottle, spray above the crown of your head in a circular motion, or spray in any space. Distilled water and solubiliser base.

Massage Oil

Massage benefits circulation, muscle tension and stimulates the body to release toxins. Essential oils enhance this healing and recovery process. Gently massage into the skin, in small circular movements. Virgin organic jojoba base.

Roller Blend

An easy topical application, to apply essential oils to your body anywhere. Simply roll onto your pulse points, or anywhere onto your body, that needs the healing benefits of essential oils. Virgin organic jojoba base.

Accessories	RR
Premium Nasal Inhalers in various colours (aluminium)  Drop 8 - 15 drops of pure essential oil onto the cotton wick, place into the glass container, screw on lid.	\$15
4 x pure cotton wicks for Nasal Inhaler 	\$2.50
Nasal Inhalers in various colours (plastic) 	\$5
Rose Quartz Lava Stone Bracelet Rose quartz calls in love, tenderness, and sensuality. A powerful aphrodisiac, it strengthens romantic relationships.  Lava stone brings courage and stability. Place 4 -5 drops of an essential oils blend onto the lava stone beads.	\$10
Christmas Festive Candles Made from natural soybean and coconut waxes with lead-free cotton wicks. Scented with 100% certified pure essential oils.  Made in Australia, cruelty free & vegan, each candle is poured in a metallic gold jar and comes with an engraved bamboo lid, making a beautiful gift.	

<p>Banksia Scent Pods – MINI MEDIUM The Banksia Grandis seed pod (the material from which they are made) is particularly porous, it soaks up your essential oil and slowly releases the aroma through its pores. No flames and no electricity are needed with our all-natural diffuser!</p>  <p>No flames and no electricity are needed with our all-natural diffuser!</p>	<p>\$18 \$30</p>
